# FLAKY PUFF PASTRY

Puff pastry is the ultimately versatile pastry, available in rolls, sheets or blocks.

Our state of the art Fritsch pastry line takes quality New Zealand ingredients and turns them into a range of light, puff pastry products with defined layering. The 50m pastry line allows for many laminations and the pastry gently rests between stages, preventing shrinkage when baked. The golden layers look and taste wonderful with savoury or sweet creations.

## GLUTEN FREE PASTRY

Pâtisserie L'Amour Gluten Free and vegetarian pastry roll is a fully verified Gluten Free pastry produced in roll form. Pastry is perfect for both savoury and sweet applications. This pastry has a light, flaky texture and bakes to a golden colour.

## MARGARINE / BUTTER BLEND

Pâtisserie L'Amour margarine/butter puff pastry products combine the finest vegetable or animal fats with pure New Zealand butter and flour for a consistent pastry you can trust. Each product is a little different; designed to meet the many needs of our New Zealand and international customers.

## VEGETARIAN PASTRY

100% vegetable margarine provides the characteristics of a robust margarine pastry whilst meeting the dietary needs of vegetarians.

## BUTTER PASTRY

When only the best will do! For the chef who would like a pastry made with pure New Zealand butter for those very special pies, pâtisserie and desserts.
